

**TOOHILL DRAIN 2024**

**Township of Adelaide Metcalfe**

**ADDENDUM NO. 2**

Our Job No. 221264

Date: December 12<sup>th</sup>, 2024

**PLEASE INCLUDE A COPY OF THE ADDENDUM  
WITH THE TENDER SUBMITTAL:**

I hereby acknowledge receipt of Addendum No. 2

\_\_\_\_\_  
NAME (Please Print)

\_\_\_\_\_  
Company

1/ Additional Item:

Supply and install 600mm x 600mm standard catchbasin on the existing Brigham Branch including grates, connection and ditching (see page 1).

\$ \_\_\_\_\_ L.S.

2/ Clarification:

For the item on the extent of work noted as "Hauling of excavated material to backfill portion of ditch", the excavated material from the bottom ditch cleanout is to be hauled to the portion of the ditch to be backfilled. The landowner also has approximately 300 cubic meters of imported material on-site along the portion of the ditch to be backfilled that will also be used as material to backfill the ditch, the contractor will be responsible to redistribute this material as needed.

3/ Clarification:

One of the catchbasins on the main drain is to be installed on the existing main drain (see page 1).

Sincerely,

Tyler Foslett, Technologist.
