

NOTICE TO RESIDENTS AND PROPERTY OWNERS REGARDING NOXIOUS WEEDS

The main purpose of the Weed Control Act, R.S.O. 1990 is to reduce the impact of noxious weeds on the industries of agriculture and horticulture. Primarily this Act applies to agricultural and horticultural lands that generate income or other benefits to agriculture; this excludes lawns, gardens and private areas for personal enjoyment and leisure.

Under the Weed Control Act, R.S.O. 1990, Chapter W.5 Section 3, 16 and 23 you are requested to destroy all noxious weeds on your property.

In Urban Areas: Section 3, 13, 16 and 18 do not apply to noxious weeds or weed seeds that are far enough away from any land used for agricultural or horticultural purposes as they do not interfere with that use.

All properties within the Municipality of Southwest Middlesex & the Township of Adelaide Metcalfe are hereby requested to be in compliance with the Weed Control Act by the 14th day of April, 2025 and throughout the growing season.
